Experience

09.2013
- 10.2013

Ziegler Film / During my 2 months film production internship for the German Public TV I helped organizing and realizing a 90 minute feature film and learned how to work with professional camera equipment.

09.2013
- 10.2013

anekdotboutique / As an intern in the marketing & design department of anekdotboutique (upcycling fashion brand) I created visual content for social media and was taught a lot about digital communication strategies to increase the traffic.

12.2015
- 12.2016

foodora / As a working student in the Global Photo Team I was treated like a regular employee. I mastered my knowledge in Photoshop and Lightroom and I learned how to work on a tight schedule in a professional business environment.

SINCE
04.2015

student & freelance projects / I worked on many different projects at hdpk, some of them for real clients. (f.l. music video, photo series, corporate design, animation videos, UX design etc.) These projects are a great opportunity to experiment with different forms of media (digital & print) and to train my technical skills with various softwares.

Education

07.2013

Graduated at Kolleg St.Blasien
